Briefly describe (tell what happened) in your own words of the incident that occurred and why you are requesting hearing/arrest of this person:

Mr. Williamson had issued an order stating that Mr. Williamson was not to come on to the property for 6 months or until the Civil case was concluded. The civil case has been continued several times in court and we are awaiting a ruling from Judge Mumford in Rockdale County concerning the ownership of the residence. But since that did not occur within the 6 months Mr. Williamson came into the residence after the order expired. He went into the bedrooms of myself and my children. He video taped those rooms. He and my husband that does not reside there started pushing one another. After Mrs. Hardee left, he pushed my child, Jordan Hardoe and left a mark on her elbow. The deputies were called and they determined that since the order expired that neither party would have to leave the residence. Every time that Mr. Williamson came out in the past a problem occurred. He has threatened us and I do not know what he will do. I do not want to end up having the sheriff called everytime he comes out.

If property was taken/destroyed or damaged what was the value/amount of damage \$ \_\_\_\_\_ Was it returned/repaired? YES  NO

Officer Supplements -- Case No. 202210250085

Officer Name / Badge: LASH, CHRISTOPHER WENDALL / 846

Entry Date / Time: 10/26/2022 01:00

Upon my arrival, I met with the complainant, Mrs. Janet Hardee. Mrs. Hardee stated that Mr. Derrick Williamson had gone online prior to deputies arriving at the residence on October 23, 2022 broadcasting over FaceBook Live talking about the current turmoil at the residence. During and after the live broadcast, some individuals had made comments and vague threats in reference to the other parties that live on premises. Mrs. Hardee provided me three pieces of paper with screen shots of the comments that were posted to Mr. Williamson's video. In the screen shots, two subjects named Bobby Aguiniga and Keiita Key had made comments that were cause for concern to Mrs. Hardee which she had marked on the paper prior to my arrival.

Bobby commented "Give me your address I will remove them" and "Dude we need to come....." And Keiita commented "They going to make me pull up and slap the white off they ass they got you fucked up". Another party named Michelle Larkin had made comments defending the Hardee family to which Keiita made the following comments, "Michelle Larkin y'all can't leave cause y'all homeless kmsl yall look like bombs go get a fucking life" and "Michelle Larkin speaking on my brother and his daughter will get your ass seen about real quick my pull up game strong ASF leave my brother alone that's your last time just know I'll do time behind him". All quotes are exactly how the text reads on the papers provided.

Mrs. Hardee turned over the paper copies she brought to the Sheriff's Office to me to enter into a case folder. Once I collected the papers, I handed Mrs. Hardee a contact card with this case number written on it. As of October 26, 2022 at 1:30 a.m., the video is still posted to Mr. Williamson's FaceBook page and available for public view to include the comments already noted in this report as well as other comments.

Ms. Anderson,

The reason I have continued the case was you had so many conflicts listed in your request and the court only has 4 cases. I had told my clerk that if you could not be here by 11 am, then I would continue the case. Mr. Evans was in the hallway of the courthouse and I told him of all of your conflicts and asked him if he had a problem with me continuing the case due to all of your conflicts and he stated he didn't.

That was the reason I was continuing the case .
